Special Memorial Stakes in Memory of Frank Wildman

SAC Puppy Dog or Bitch (15) (9 abs)

1st. Pynegar's Maranseen Linesman at Berwynfa. Quality, 6.5 mths striking shapely dark brindle dog standing square, head is well balanced having a broad jaw and well padded muzzle. He is medium size with plenty of bone and substance, liked his silhouette where his shape and firm tuck up were evident. Has super feet with well arched toes, a powerful true mover with correct front reach and rear drive. Cheeky boy shows himself. Pushed hard in the challenge. I was very impressed by his skeletal shape and amazing feet today. One to watch.

2nd. Jones & Charles' Charlons Astute. 9 mths lovely red bitch with adorable expressive eye, clean skull, is correctly slightly undershot and has elegant outline, I especially liked her reach of neck and smooth well kept coat. Another sound mover with good front and rear action driving away. Full of promise.

3rd. Jones' Kevanor Hot Gossip.

SAC Junior Dog or Bitch (7) (2 abs)

1st. Mair's Vandenrob Vanessa via Glenauld. Star Quality 12 mths flashy brindle girl, beautiful expressive head with dark alert eye, well balanced head, well padded broad muzzle that has that slight tilt up complimented by correctly undershot jaw containing well separated firmly placed teeth, she is medium sized and well boned, with plenty of muscle tone. Stood back to admire her elegant outline and short toned loin tuck up. I was particularly impressed by her excellent feet the front are well knuckled and she stands on her toes attentive to handler, plenty of balance throughout. Movement is sound each way with desired reach and powerful rear drive extension. Handled and presented to perfection. Showing herself off throughout the class. Pleased to award her Best Overall Winner of the Frank Wildman Special Award Memorial Stakes Classes.

2nd. Parker & Martin's Olleyville Optimistic Lad. Another superb quality dog 14 mths flashy dark brindle. Masculine medium sized with breezy head, alert dark eye, broad muzzle, correctly undershot, muscular shoulder and thigh, plenty of bone and substance throughout. Lots to like here and oozes future promise. I was spoilt for choice between these 2 and just splitting hairs on my final decision.
